Discipline Policy

The discipline policy of the First Congregational Church of Winter Park Preschool & Kindergarten (FCCPK) is as follows:

- The goal of discipline is self-regulation. An enriched environment, a quality program designed and based on the interest and capabilities of the child involved, and facilitation by a trained teacher will eliminate most inappropriate behaviors on the part of the child
- Teachers will share guidance as to what is acceptable and appropriate behavior based on the child’s age and development
- We utilize modeling, positive reinforcement, and appropriate behavior modification techniques
- We encourage and help children develop their self-regulation skills to enable each child to gain feelings of respect and higher self esteem
- At no time will food or toileting be used as a form of punishment
- Corporal punishment is strictly prohibited
- Teachers and/ or staff will notify parent/s guardians if a child’s behavior becomes disruptive to the class or put himself/herself or others in danger
- We reserve the right to dismiss a child based on behaviors that may be seen as dangerous

I have read and understand the above discipline policies.
